5th Annual Conference – Faculty of Science Second Announcement

Under the patronage of His Excellency Prof. Dr. Mahmoud El-Meteini, President of the University, and His Excellency the Vice President for Graduate Studies and Research Affairs, the Faculty of Science, Ain Shams University, will hold its 5th Annual Scientific Conference from 15th to the 18th of November, 2022, in Hurghada, Red Sea. Over the past four years, we have been fortunate in the participation of many prominent scholars and researchers from industry, universities, research centers and research institutes from Egypt and from abroad to highlight their most recent advances in various aspects of applied and pure sciences. Research bodies and centers present their research through lectures, research papers or posters in conference activities in one of the following areas:

- Green Chemistry and Agriculture
- Nanoscience's and its Applications
- Environmental Sustainability
- Bio Stimulation and Biosensors
- Sustainable energy
- Mathematics and Computer Science
- Biological and Medical Sciences

The conference will publish the fully participating research papers after reviewing through a special issue of the official Journal of the Faculty of Science - Ain Shams University "**The Egyptian Journal of Pure and Applied Sciences - EJPAS**" at a discount of "50%" of the value.

The EJPAS is indexed in the EKB website and received the highest score of local journals annual evaluation by the Supreme Council of Universities (June 2021 and June 2022).
